      How Ecma's lean work practices and tools enable a broad participation.
    - ***Strategic collaboration:***

      How Ecma can support JTC 1's priorities?
    - ***Summary:***

      Ecma: Provides additional path

      Open tools: GitHub, ecmarkup

      Topics of interest: SBOM and AI

TC 39

Workshop iTAP

Information:

https://ecma-international.org/news/nfc-standards-and-ecosystem-workshop-on-the-1st-of-july-2026-in-geneva/

Intelligent Touchless & Awareless Proximity(TC51)

- Date: 1 July Workshop
- Location: Geneva
  - The Intelligent Touchless & Awareless Proximity (iTAP) standard specifies requirements and specifications to realize devices and applications used for consumer payments, digital ID cards, electronic ticketing, etc., to build a smart life such as smart cities, smart transportation, and smart communities.
  - This workshop will explore how NFC is adapting to an AI-driven landscape, establishing a new foundation for a robust and integrated European contactless ecosystem.
  - Confirm via email reply, to: ***service@itma.org and helpdesk@ecma-international.org*** your attendance by 29 May 2026, indicating your participation in the workshop

TC 39

Annex slides:

- Next GA, ExeCom and TC39 meeting dates
- List of latest relevant Ecma TC39 and GA documents
- Code of Conduct
- Invited Expert

  ...and sometimes we rejoice when we can end early and claim a day back
- *In-person meetings are three days*
  ...to permit Monday/Friday as travel days

Lists of Ecma documents of interest to TC39

(As a reminder….)

- GA documents provide general Ecma information (policy matters, activities of other TCs, liaison with other SDOs, etc.).
- GA documents are not automatically available to TC39 members. Ask your GA Representative for copy.

- Ecma TC39 documents are the official Ecma TC39 documentation within Ecma (both for long-term archival and as information to other Ecma TC and GA members).
- These are linked to Ecma (includes new Ecma members in TC39, status of ES20xx approval in Ecma etc.).

There are overlaps to what is also available on TC39 GitHub

Code of Conduct (CoC) *Guide*

To ensure a fair and balanced standards process, to avoid communication issues and unhappiness, and to promote inclusiveness.

This Code of Conduct is enforced within all spaces managed by TC39. This includes chat rooms and forums moderated by TC39, issue trackers on projects hosted by TC39, and TC39 events and meetings.

We are a community of professionals, and we conduct ourselves professionally. Be kind to others. Do not insult or put down other participants. Harassment and other exclusionary behaviour are not acceptable.

- *Be respectful*
- *Be friendly and patient*
- *Be inclusive*
- *Be considerate*
- *Be careful in the words that you choose*

When we disagree, try to understand why

Invited Expert (IE)

- *Ecma Invited Experts shall be a very small number of experts, who are needed to complete the Ecma work and whose contributions are regarded as exceptionally important. They participate free of charge in the work of a TC (including face-to-face meetings) on invitation by Ecma in an Ecma TC and may contribute to an Ecma standard.*
- *With Ecma Invited Experts there is no intention whatsoever to introduce a non-paying individual membership category. Therefore, Invited Experts in Ecma work should be regarded as exceptional and rare. It is encouraged that instead of Invited Experts the company / organization with whom the invited expert is affiliated with (if he has such relationship) becomes Ecma Member itself.*

From Ecma Rules 6.2.6

- *Individuals can participate in the work of a TC as invited experts. They participate only at the invitation of the SG at the request of the TC. They have no voting rights. Invited experts shall comply with the Ecma policies and sign the appropriate form before participating. The invitation to participate may be withdrawn by the SG at any time.*
